

Environment, Safety and Health WG

Tony Umek, Chair
Michael Madison, Vice-Chair
Pat Padezanin, Vice-Chair
Richard DeBusk, Secretary

Working Group DOE Sponsors

ES&H Working Group

- Charter - focus on functional areas of Safety Management
 - Information exchange, promote awareness
 - Benchmarking and Innovation
 - Facilitate contractor interfaces with DOE
- Initiatives for 2007
 - Complete Charter
 - Develop liaison with
 - TRADE IH/OS Sig
 - DOE Complex Respiratory Protection Program Administrator (RPPA) Group
 - Continue to support Subgroup Initiatives

Environmental Subgroup

- Meeting
 - Semiannually Meetings (EFCOG & Other Conference)
 - Monthly Conference Calls
- Current Tasks
 - Focus on assisting implementation of EMS
 - EMS audit sharing program
 - ISO14001 certification process
 - EMS training/certifications information
 - Linking NEPA process with EMS
 - Support for compliance with EO 13423

Chemical Safety & Lifecycle Management Subgroup

- Meetings
 - Semi-annual Meetings with EFCOG
 - Co-sponsor ANNUAL JOINT CHEMICAL MANAGEMENT WORKSHOP
- Current Tasks
 - Access potential impacts new global harmonization standards
 - Compare In-house to Commercial software
 - Complete Chemical Management Benchmarking survey
 - DOE publications

Occupational Medicine Subgroup

- Meetings
 - Semi-annual Meetings with EFCOG
- Current Tasks
 - SOMD Three-Year Plan Recommendations to the Department of Energy
 - Subcommittee to develop consensus trigger points for chelation treatment due to radiological injuries
 - 10 CFR 851 Occupational Medicine Functional Area
 - Address concerns presented by DOE, issues center mostly around the subcontractors
 - Provide guidance on this new process for the DOE medical directors

Electrical Safety Subgroup

- Meetings
 - Semi-annual Meetings with EFCOG
 - Coordinate Summer Electrical Safety Conference
- Electrical Safety Task Group (ESTG)
 - Completed PMP /w seven initiatives in 2006 - Notable product: “Electrical Severity Index Tool”
 - Improved Performance Across DOE Complex
- Current Tasks
 - Update DOE Electrical Safety Handbook
 - Serve as an advisory board for the R&D committee
 - Identify Electrical Safety Best Practices for D&D and Excavation

Industrial Hygiene / Industrial Safety Subgroup

- Meetings
 - Semi-annual Meetings with EFCOG
- Current Tasks
 - Technical Basis for Low Hazard Exposure Assessment
 - Support WG for implementation of DOE 433.1
 - Maintenance Management Program for Nuc Facilities
 - Address EM-60 Review of 10 CFR 851 implementation at SRS
 - Support DOE Beryllium Health and Safety Committee
 - Integration of Hazard Controls processes for HP/IH/IS

Radiation Protection Subgroup

- Meetings
 - Semi-annual Meetings with EFCOG
- Current Tasks
 - Assisting DOE Office of H&S with 10CFR 835 Workshop
 - Assist DOE with planning and Execution for a 10 CFR 835 Workshop
 - Invite HS-20 to incorporate radiological release with workshop discussions
 - Evaluate sealed source inventory requirements
 - Post a model Exclusive Use Shipment survey procedure
