

# EFCOG Energy Efficiency Working Group

**Status Report**

**August 2007**

**Lynnwood Dukes, Chair**

---

---

# Accomplishments

- ❑ Chair of subgroup transitioned from Mike Moran (PNNL) to Lynnwood Dukes (SNL) in April 2007
  - ❑ Subgroup headed by Kim Fowler working on sustainable design
  - ❑ Teleconference held June 27<sup>th</sup> to discuss agenda for Aug 9<sup>th</sup> annual meeting in New Orleans and transition
  - ❑ Will report on proceedings of Annual meeting at the next session
-

---

# Future Plans

- Topics for discussion at the annual meeting to formulate a path forward to address are:
    - Energy Savings Performance Contracts
    - FEMP funded projects
    - Secretary's TEAM initiative
    - ASHRAE 90.1
    - Metering
    - Energy/Water Audits
    - New Technologies for Innovation
    - EAct 2005, Executive Order 13423 Goals, and revision to Order 430.2A
-

---

# Issues to Work

- The working group needs to get alignment with the FEMP organization, TEAM initiative, 430.2A review, and proposed new energy goals in order to establish a clear and consistent approach to energy management across the complex
  - Active working group sponsor from the FEMP organization
-
