Travel Directions

DIRECTIONS TO HOTEL AND TO THE DOE FORRESTAL BUILDING

1. Reagan National to Recommended Hotels - Reagan National is a close-in airport. Taxi fare is approximately \$40 to the downtown Washington area and the Forrestal Building. The Metro blue and yellow lines directly connect to this airport.

2. Metro travel to the Forrestal Building – the “Smithsonian” (Independence Avenue) station on the *blue* and *orange* lines and the “L’Enfant Plaza” station on the *yellow* line, are both convenient short walks to the Forrestal building.

The line color for each train is prominently displayed on its front and side. To identify the correct train to take for any line, Metro riders should note the “last stop” sign displayed on the front of the train as it enters the station, which discloses the route of the train. The support columns on each platform list the remaining stops for the train headed in that direction. There you will find your intended station and the last stop for the route you are taking.

PARKING

Parking is available at commercial lots near 12th Street and Independence Avenue, close to the DOE parking entrance. The cost is approximately \$35 for all-day parking.
