**Requested Action:**

**Tracking Number** (i.e. EN/00/03, OSH/00/03, etc.)

- New Item  
 Schedule Update

EN/03/08

**Task Title:**

Site Survey - Environmental aspects of nanowork.

**Summary of Requested Changes/ Task Description of New Item:**

Perform a sites survey to find out how sites are managing environmental aspects of their nanowork. Results of survey should be reported at the Fall 2008 semi-annual meeting. This may also be a cross subgroup networking opportunity for a future WG meeting.  
  
 Task Lead: BNL (John Selva)
