- *Sandia's EMS Implementation and Exemplary Outreach Program and Facilities Integration*

Oak Ridge National Laboratory:

- *ORNL's Green Transportation Initiative*
- *ORNL's Comprehensive Sustainability Initiative - Inside and Out*

# P2 Star Award Recipients (cont.)

Fermilab:

- *Reusing Science – The SciBooNE Experiment at Fermilab*

National Renewable Energy Laboratory:

- *First LEED Platinum DOE Laboratory – NREL's Science and Technology Facility*

Princeton Plasma Physics Laboratory:

- *PPPL's Outstanding Recycling in FY07*

# P2 Star Honorable Mentions

- Savannah River Site: *Electronics Management and Recycle*
- Sandia National Laboratories NM: *Green Chemistry Saves Big Bucks*
- Brookhaven National Laboratory: *Study of DNA Repair Using Fluorescently Labeled Oligonucleotides*
- Princeton Plasma Physics Laboratory: *PPPL's CNG & B20 Program*
- Pacific Northwest National Laboratory: *Using the EMS to Improve Chemical Management*

# Closing the Circle Award Winners

- ORNL: *Green Transportation Initiative*
- Federal EMS Metrics Workgroup:  
*Taking Aggressive Action, Achieving  
Impressive Results*

Workgroup includes DOE's  
Eric Haukdahl (MA) and  
Steven Woodbury (HSS)
