

## 10 CFR 835 Exemption Decision Status

Contractor/request	Status	Needed Actions
Bechtel Hanford, Inc., appendix D to 10 CFR 835 as they apply to removable surface contamination values for carbon-14 (C-14), nickel-63 (Ni-63), iron-55 (Fe-55).	Denied.	None.
BWXT of Ohio, Inc., radon.	Exemption Decision no longer valid. BWXT of Ohio no longer contractor for exempted Mound related work.	None.
M. K. Ferguson, UMTRA, radon.	Exemption Decision no longer valid. M. K. Ferguson no longer contractor for exempted UMTRA related work.	None.
M. K. Ferguson, Weldon Springs, radon.	Exemption Decision no longer valid. M. K. Ferguson no longer contractor for exempted Weldon Springs related work.	None.
Fluor Fernald, radon.	Exemption Decision no longer valid. Fluor no longer contractor for exempted Fernald related work.	None.
S. M. Stoller, Grand Junction Project Office, radon.	Exemption Decision no longer valid. Stoller no longer contractor for exempted Grand Junction related work.	None. Stoller, still performing DOE Legacy Management work, will ensure that their updated RPP reflects that they have no exemptions.
MACTEC Environmental Restoration Services, Technical Assistance and Remediation Contractor Grand Junction Program Office, radon.	Exemption Decision no longer valid. MACTEC no longer contractor for exempted Grand Junction related work.	None. Any DOE UMTRA work should be evaluated to determine if the radon exemption is needed - currently there are no sites with radon exemption.

## 10 CFR 835 Exemption Decision Status

Contractor/request	Status	Needed Actions
Westinghouse Savannah River, tritium values.	Denied.	None.
ETEC, summing internal and external.	Denied.	None.
ETEC, provisions of 835.	Denied.	None.
Fluor Fernald, fixed contamination posting.	Exemption Decision no longer valid. Fluor no longer contractor for exempted Fernald related work.	None.
Oak Ridge Operations, exempt from 835 for operation of two x-ray machines.	In effect - amended 835 does not impact need for exemption.	None.
Thomas Jefferson National Accelerator Facility, Appendix D Be-7 values.	In effect - amended 835 does not impact need for exemption.	None.
USEC and USEC Inc, 835 provisions, follow 10 CFR 20.	In effect - amended 835 does not impact need for exemption.	None.
M. K. Ferguson, UMTRA, release of materials, haul trucks.	Exemption Decision no longer valid. M. K. Ferguson no longer contractor for exempted UMTRA related work.	None.
Pacific Northwest National Laboratory (PNNL), use of units.	In effect. Exemption decision no longer needed because of 2007 amendment to 10 CFR 835.	Letter to contractor informing them that Exemption Decision valid until covered by updated RPP - no later than 7-8-2010.
CH2MHill, Hanford, use of units.	In effect. Exemption decision no longer needed because of 2007 amendment to 10 CFR 835.	Letter to contractor informing them that Exemption Decision valid until covered by updated RPP - no later than 7-8-2010.

## 10 CFR 835 Exemption Decision Status

Contractor/request	Status	Needed Actions
--------------------	--------	----------------

Westinghouse Savannah River, use of units.	In effect. Exemption decision no longer needed because of 2007 amendment to 10 CFR 835.	Letter to contractor informing them that Exemption Decision valid until covered by updated RPP - no later than 7-8-2010. Joint DOE/NNSA letter.
Westinghouse Savannah River, tissue weighting factors.	In effect. Exemption decision no longer needed because of 2007 amendment to 10 CFR 835.	Letter to contractor informing them that Exemption Decision valid until covered by updated RPP - no later than 7-8-2010. Joint DOE/NNSA letter.
LMES, Y-12, tissue weighting factors.	Exemption Decision no longer valid. LMES no longer contractor for exempted Y-12 related work.	B&W Y-12 needs to request same exemption if they want same exemption or can, per updated RPP, implement amended provisions.
Mason and Hanger, Silas Mason Co., Inc. Pantex Plant, use of PNADs.	Exemption Decision no longer valid. Mason and Hanger no longer contractor for exempted Pantex related work.	B&W Pantex needs to request same exemption if they want same exemption.
