

END OF CONFERENCE POSITIVES AND NEGATIVES

- Good interactive group
- Effective solutions being addressed
- People reviewing understand it is a high level draft (Weld Paper)
- Timeliness of review (Weld Paper)
- D. Busche presentation very informative
- Team work and highly qualified people assigned to this effort (Weld Paper)
- Acceptance of DOE in meeting and honesty with DOE
- Moving forward and actually doing something/producing something (Weld Paper)
- Networking opportunities and hearing what others do
- Productive meeting (S. Bush) and supplier evaluation program very informative (Weld Paper)
- Participants can receive Train the Trainer course schedule from Joe Yanek
- Make sure ownership of work tasks is retained at subgroup level
- DOE participation encouraged
- DNFSB participation encouraging
- Very good task leaders
- Don't underestimate the systemic issues with DOE
- Need to bring pluses to meetings
- Take aways:
 - Est. cost of quality
 - Procurement issues (S/CI)
 - Quality is like the little Dutch Boy
- Need more "Best Practices"
- Diversity of representatives
- Finding the "final" agenda for the meeting was difficult
- Presentations too long - focus on success
- Good Synergy
- Need to remain flexible
- How do we train "new"/young individuals
- Opportunity to be change agents cornerstone of DOE program
- We are evolving

ACTION: Roy to write letter requesting DOE continuing support of EFCOG
