

Mr. Buhl will present the paper, *Lessons Learned in Transitioning to D&D and Demolition of the First Plutonium Facility Within the DOE Complex*

Anthony R. Buhl
President & Chief Executive Officer

ENERGX

QUALIFICATIONS SUMMARY

Dr. Buhl supports client business transformations by leading management reviews and facilitating management and process improvement forums and programs. He has extensive involvement in utility-government regulatory matters, re-engineering work processes and safety. He was elected a Fellow of the American Nuclear Society for his special expertise in nuclear safety and risk assessment.
