

MARK YOUR CALENDAR!

The 20<sup>th</sup> Annual EFCOG  
Safety Analysis Workshop,  
Knoxville, Tennessee, April  
24-29, 2010.

If you've attended the  
workshops in the past, this  
promises to be one of the  
best as we cap off 20 years  
of progress and look toward  
the future.

You'll be impressed with the rebirth of  
downtown Knoxville. We will be centered at  
the Crowne Plaza Hotel, surrounded by  
restaurants, shops, entertainment, and historical  
sites. April is Dogwood Festival month and it  
is always spectacular!

## 2010 EFCOG SAFETY ANALYSIS WORKSHOP

THEME:

*"Streamlining for Safety  
and Risk Performance"*

*April 24-29, 2010*

*Knoxville, Tennessee*

## WORKSHOP FEATURES

- TRAINING Saturday through Monday tailored to your needs.
- TECHNICAL SUBGROUPS meetings on Monday where you can engage to make a difference.
- TECHNICAL TOUR on Monday afternoon of fascinating facilities at the Oak Ridge National Laboratory, including the billion-dollar Spallation Neutron Source and several of the world's fastest computers.
- A RECEPTION on Monday evening in a very unique location (remember the 1982 World's Fair?).
- Challenging INVITED SPEAKERS on Tuesday at the opening plenary session and during lunch.
- A FUN-FILLED SOCIAL EVENT on Tuesday evening where you can relax with new and old friends.
- Lots of CUTTING-EDGE TECHNICAL PRESENTATIONS on Tuesday afternoon and all day on Wednesday.
- Interesting PANEL DISCUSSIONS of today's issues.

This is a personal invitation from your workshop planning team to join us for the 2010 EFCOG Safety Analysis Workshop! The annual workshop is always a tremendous opportunity to enhance your technical capabilities to better support the safe operation of DOE's facilities. Come to learn the latest techniques, listen to lessons learned from others, be challenged by new ideas, ask questions of experts, volunteer to resolve issues, share your stories, and make important new contacts for networking. We especially encourage young professionals to participate!

See you in Knoxville in April!
