

Safeguards & Security EFCOG Meeting

Sandia National Laboratories is located on Kirtland Air Force Base (KAFB) in southeast Albuquerque, New Mexico

Directions to KAFB:

- From I-40 exit on Eubank Blvd., head south to the **Eubank Gate**
- From I-40 exit on Wyoming Blvd., head south to the **Wyoming Gate**
- From I-25 exit on Gibson Blvd., head east to the **Gibson Gate**

Visitor Access to Kirkland Air Force Base (KAFB)

Things to remember while driving on KAFB:

- **Speed limit is strictly enforced**
- **Cell phone use is prohibited while driving and at guard gates. Hands free devices may be used.**
- **Expect delays at guard gates during rush hour traffic**

To drive onto KAFB enter from the Wyoming or Gibson or Eubank Gates. At the gate, show the guard your DOE badge. If requested, be prepared to provide proof of drivers license, insurance, current vehicle registration, rental car agreement.

From the **Wyoming Gate** - proceed south on Wyoming Blvd. Turn left (east) onto Hardin Blvd. Turn left onto 9th Street (four-way stop). Turn right into the parking lot.

From the **Eubank Gate** When approaching the Eubank gate you need to be in the two lanes farthest to the left. Once you enter the base you will quickly have to turn left (south) at the first traffic light. Turn right on 14th street (four-way stop). Turn left into parking lot.

From the **Gibson Gate** - proceed east on Gibson Blvd. Turn right (south) onto Wyoming Blvd. Turn left (east) onto Hardin Blvd. Turn left onto 9th Street (four-way stop). Turn right into the parking lot.

It is requested that cell phones be left in vehicles
