Columbia River Room
Environmental Technology Building (ETB)
Richland, WA

<http://www.pnl.gov/contacts/visitors.asp>

Detail Directions to Environmental Technology Building (ETB):

Head north on George Washington Way (GW Way) and continue for several miles through Richland. After passing by WSU Tri-Cities and proceeding up a slight hill, you will come to a stop light that will be Battelle Blvd. Two options from this point:

- 1) Continue north through the light on GW Way. At the very next opportunity turn left into a large parking lot. Although not depicted on the map, there is an entrance. You will be facing two mirror image buildings as you enter the lot. The ETB is the building on the left. The main entrance is on the north end facing the twin building. The Columbia River Room is inside to the right.
- 2) Turn left onto Battelle Blvd and then take a right on Q Avenue. You will then take the first right that will bring into the back parking lot of the ETB. The entrance is on the north end of the building. The Columbia Rive room is inside to the right.
