

PARKING

There is limited parking in the areas designated for visitor parking as noted on this map. Other parking areas are for employees of the site.

PROHIBITED ARTICLES

- Firearms, explosives or incendiary devices, and other items capable of causing property damage or personal injury.
- Alcohol and non-prescription controlled substances.
- Cameras (including cellular telephones with photo capabilities) and video equipment.
- Any device capable of recording, processing, storing or transferring audio, computer data, video or photos.
- Personal computers.

PERMITTED ARTICLES

Government or personal cellular telephones and/or PDAs without photo/recording capabilities may be brought into Property Protection Areas.

Government computers require approval from Assistant Manager of Safeguards & Security.
